

ABOUT POCHÉ

POCHÉ, founded in 2014, is a privately owned company based in Flushing, New York City. We specialize in the following sectors of construction: residential, commercial, hospitality, retail complexes, and restoration projects. POCHÉ is driven by a team of highly skilled project managers, experienced architects, and interior designers, all dedicated to supporting the company's core values: client commitment, strategic analysis, and collaborative design. Regardless of project scope and size, we strive to realize our vision by working closely with our clients and our community.
